

Enhanced Expenditure Reporting for Crown Corporations

Canadian Air Transport Security Authority

2025/26

Enhanced Expenditure Reporting for Crown Corporations

The Government of Canada encourages Crown corporations to voluntarily disclose certain expenditure information in a manner comparable to federal departments and agencies and aligned with the Public Accounts of Canada, Volume III. This disclosure presents CATSA's relevant expenditures, by category, for 2025/26¹.

Professional and special services

The following table presents total expenditures for 2025/26 by main classification of professional and special services. It includes payments of \$100,000 or more made to individuals or organisations, including the payee name, location and total amount paid. It also presents the total amount and number of payees for expenditures below \$100,000 within each service classification.

Category (in thousands of Canadian dollars)			Total Spending	Aggregate Spending
Business services			876,910	-

Total			892,417	892,417

Acquisition of machinery and equipment

The following table presents the total expenditures in 2025/26 by main category of machinery and equipment:

Category (in thousands of Canadian dollars)	Amount
Acquisition of machinery and machinery parts	76,764
Acquisition of informatics equipment and parts	7,537
Total	84,301

Payments of claims against the Crown, ex gratia payments, and court awards

The following table presents passenger claims (ex gratia payments) and court awards paid in 2025/26. An ex gratia payment is a discretionary payment, made as an act of benevolence in the public interest, free of any legal obligation, whether or not any value or service has been received.

Category	Amount
(in thousands of Canadian dollars)	
Passenger claims equal to or over \$1,000 (40 payments)	87
Passenger claims under \$1,000 (705 payments)	119
Payments of claims against the Crown (2 payees)	5
Total	211

For comparative information relating to 2024/25, please refer to CATSA's 2025 Annual Report.
