

Annual Report on the Administration of the *Access to Information Act*

Canadian Air Transport Security Authority

2017 - 2018

I - INTRODUCTION

The purpose of the *Access to Information Act*, (“the *Act*”), is to provide a right of access to information in records under the control of federal departments and agencies of government. The *Act* responds to the principle that government information should be available to the public with limited exceptions to the right of access and that the disclosure of government information should be evaluated independently of the executive arm of government.

This Annual Report on the Canadian Air Transport Security Authority’s administration of the *Act* has been prepared in accordance with Section 72(1) and is hereby submitted for tabling in Parliament under Section 72(2) of the *Act*.

This is the fifteenth annual report on the administration of the *Act* that has been tabled in Parliament. The previous such reports are available on the “Report and Summaries” section of the “Access to Information and Privacy” on the Web site: www.catsa.gc.ca.

II - THE CANADIAN AIR TRANSPORT SECURITY AUTHORITY - MANDATE

Established as an agent Crown Corporation on April 1, 2002, the Canadian Air Transport Security Authority (CATSA) is mandated to protect the public by securing critical elements of the air transportation system as assigned by the Government of Canada.

Fully funded by parliamentary appropriations, CATSA is accountable to Parliament through the Minister of Transport. CATSA is governed by a board of directors and operations are directed by a senior management team. CATSA currently contracts security screening to third-party contractors.

CATSA’s key role in securing Canada’s air transportation system is established by the delivery of the following four mandated responsibilities at 89 designated airports across Canada.

- **Pre-Board Screening (PBS)** - The screening of passengers and their belongings prior to their entry into the secure area of an air terminal building;
- **Hold Baggage Screening (HBS)** - The screening of passengers’ checked (or hold) baggage to prevent the boarding of prohibited items;
- **Non-Passenger Screening (NPS)** - The random screening of non-passengers accessing restricted areas; and
- **Restricted Area Identity Card (RAIC)** - The program which uses iris and fingerprint biometric identifiers to allow non-passenger access to the restricted areas of airports.

In addition, under an agreement concluded with Transport Canada in 2010, CATSA is authorized to conduct screening, where capacity exists, of cargo at smaller airports. Each of these activities is carried out effectively, efficiently, consistently, and in the public interest, as required by the *CATSA Act*.

IMPLEMENTATION OF THE *ACCESS TO INFORMATION ACT* AT CATSA

Responsibility for processing requests received under the *Act* rests with the Manager, Information Management, Privacy and ATIP, who is also the organization's Access to Information and Privacy (ATIP) Coordinator. A Senior ATIP Advisor supports the ATIP Coordinator in processing requests under the *Act*.

The ATIP Coordinator reports directly to the Director, Corporate Services and Assistant General Counsel. The Vice-President, Corporate Services, General Counsel and Corporate Secretary serves as CATSA's Chief Privacy Officer (CPO). The Vice-President reports directly to the President and Chief Executive Officer.

CATSA's ATIP office responsibilities regarding the *Act* are as follows:

- receive and process all requests in accordance with the *Act*;
- assist requesters in formulating their requests when required;
- gather all pertinent records and ensure that the search for information is rigorous and complete;
- conduct the initial record review and provide recommendations to the program areas;
- conduct all internal and external consultations;
- consolidate the recommendations and apply all discretionary and mandatory exemptions under the *Act*;
- assist the Office of the Information Commissioner (OIC) in all access to information related matters including complaints against CATSA;
- prepare annual reports on the administration of the *Act*;
- provide ongoing advice and guidance to senior management and staff on matters related to access to information;
- promote access to information awareness and training sessions to ensure that all staff are aware of the obligations imposed by the legislation;
- respond to consultations received from external organizations;
- develop and maintain access to information policies and guidelines; and,
- participate in ATIP community activities and ATIP community meetings.

III - DELEGATION OF SIGNING AUTHORITY

In accordance with section 73 of the *Act*, a delegation order, signed by CATSA’s President and Chief Executive Officer (CEO) designates the person holding the position of ATIP Coordinator to exercise and perform the access to information duties on behalf of the organization. The delegation order was issued on May 3, 2017.

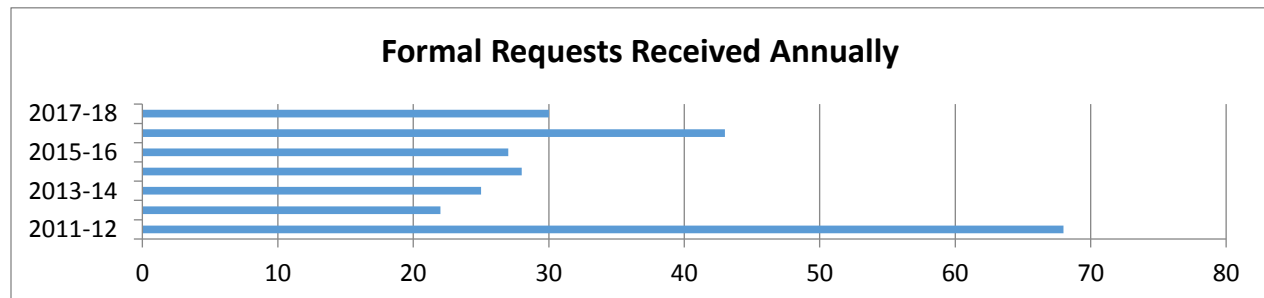

The signed and dated delegation order is attached to this report as Annex A.

IV - STATISTICAL REPORT INTERPRETATION

Access to Information Act Requests Received and Completed

In this fiscal year of 2017-2018, CATSA received 30 *Access to Information Act* requests, a decrease of 15 from the 45 requests received in the previous fiscal year representing a 33% decrease. Three files were also carried over from 2016-2017. When added to the files received in this fiscal year, CATSA was responsible for 33 files in 2017-2018.

For this fiscal year, of the 30 files completed, CATSA processed 6,083 pages, an average of 203 pages per completed request. To summarize, CATSA received 15 less *Access to Information* files in 2017-2018 compared to the previous fiscal year, and the amount of pages processed decreased by 2740 for a decrease of 31% over previous fiscal year.

In addition to requests received this fiscal year, CATSA also received 64 informal¹ *Access to Information Act* requests that were previously released. This reflects an increase compared to the previous fiscal year. CATSA is pleased to report that 100% of these informal requests were completed within 10 days after they were received. CATSA regards this as a positive result of proactive release of information on closed *Access to Information Act* files.

¹ Informal requests are defined as previously released *Access to Information Act* request packages.

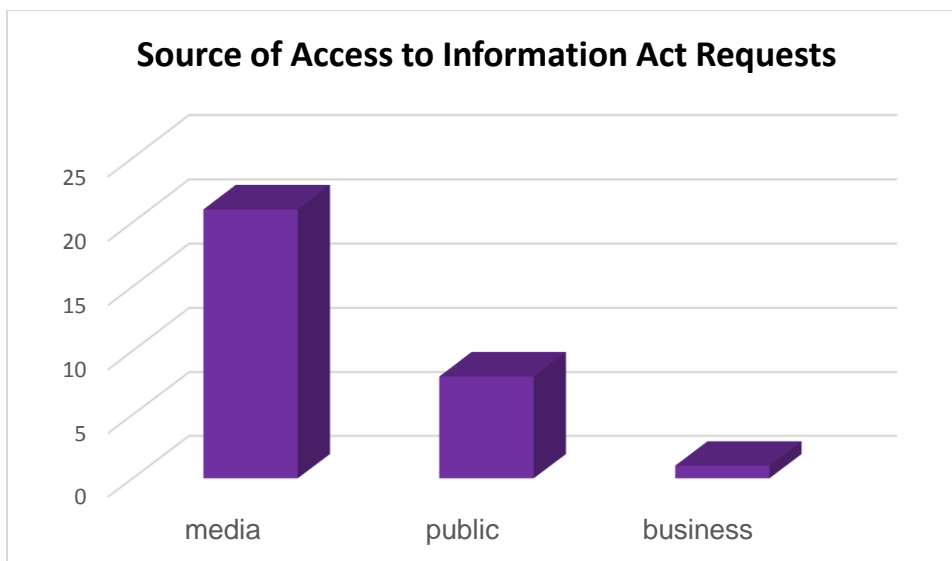

Completion Time

Of the 30 *Access to Information Act* requests completed during the current 2017-2018 fiscal year, 17 requests (57%) were completed within 30 days or less. The other requests were completed within the following time frames:

- 5 completed in 31 to 60 days;
- 6 completed in 61 to 120 days; and
- 2 completed in 121 days or more.

Source of *Access to Information Act* Requests

The main source of requests, the media, was unchanged from the previous fiscal year. Of the 30 new requests received, 21 (66%) originated from the media, 8 (27%) were from the public and 1 (3%) from business (private sector).

Disposition of Completed *Access to Information Act* Requests

Of the 30 completed requests:

- 9 files were fully disclosed;
- 16 were disclosed in part and
- 5 files could not be processed, as CATSA did not have any of the requested information.

Exemptions Invoked

Where access exemptions were invoked, these reasons were cited:

<u>Reason</u>		<u>Number of Cases</u>
Subversive Activities	S. 15	9
Investigation	S.16.1(1)(b)	1
Security	S. 16(2)	11
Economic interests of Canada	S. 18	3
Personal information	S. 19	12
Third- party commercial information	S. 20	12
Operations of government	S. 21	12
Statutory prohibition	S. 24	1

Extensions

For the 30 *Access to Information Act* requests completed in 2017-2018, it was necessary to extend the time frame of 15 requests:

Three files were extended due to the potential for serious interference with the operation of the Organization;

- 1 extension was for a period 30 days or less,
- 1 extension was for a period of between 31 and 60 days and
- 1 extension was for a period of between 61 and 120 days.

Six files were extended for other government department consultations;

- 4 extensions were for a period of 31 to 60 days and
- 2 extensions were for a period of 61 to 120 days.

Six files were extended for third party consultations;

- 1 extension was for a period of 31 to 60 days,
- 4 extensions were for the period of 61 to 120 days and
- 1 extension was for a period of 121 to 180 days.

Consultations Received from Other Government Departments

During this fiscal year, CATSA received 14 consultations from other government departments and were all completed within the agreed timelines. Two consultation files are pending at the end of this fiscal year.

The full Statistical Report on the Administration of the *Act* is attached as Annex B.

V - TRAINING

Over the course of this fiscal year, ATIP related training was delivered to 154 participants in 15 training sessions of which seven training sessions were conducted in the Regions (Calgary, Montréal, Toronto and Vancouver). Ad hoc training on a variety of subjects was also provided as needed to individuals throughout the organization. The following describes the training activities related to Access to Information and Privacy with respective participants and sessions for each:

Information Management, Privacy and ATIP Orientation 144 Participants in 13 Sessions

The training session is offered to all new CATSA employees upon entering the organization and then at periodic intervals. The purpose of these sessions is to provide participants with an overview of the *ATIP legislation*, Information Management, security classification and Privacy.

ATIP Office of Primary Interest Sessions 10 Participants in two Sessions

The sessions provide an overview of the *Act*, *the Privacy Act*, the duty to Assist; exemptions and exclusions; steps in processing an ATIP request and the role and responsibilities of the ATIP Office and all CATSA employees. These targeted training sessions were offered to groups including Service Delivery, Corporate Services and Technology.

VI - POLICIES, GUIDELINES AND PROCEDURES

CATSA's ATIP manual is being continually updated, providing a detailed view of CATSA's ATIP processes. These regular updates ensure that the CATSA ATIP Office continues to keep the manual current with the most recent practices as offered by the Treasury Board Secretariat in their training and information sessions. The objective of creating, maintaining and updating this ATIP manual is directed toward the continued improvement of CATSA's treatment of access to information files and ongoing focus on the reduction of their processing time.

VII – RESPONSE TO KEY ISSUES RAISED

One complaint was received by the Information Commissioner during this fiscal year.

VIII - MONITORING

There are only two employees that are involved directly in the processing of Access to Information requests. Therefore, a formal monitoring procedure to oversee the time taken to complete the requests has not been established. However, the ATIP Coordinator signs all outgoing correspondence regarding the ongoing processing of the files and, therefore is aware of the status of the files. Also, a weekly report is sent to senior management with a list of current files and a brief description of the status of each file.

COLLABORATION

CATSA is a strong advocate of collaboration, both internally within the organization as well as within the ATIP Community.

CATSA – The ATIP office regularly engages with various internal groups to provide advice, ideas and best practices. One example of this collaboration is how the ATIP office engages representatives from across the organization upon receipt of particularly complex requests. This is implemented as needed in order to reduce, as much as possible, the impact on CATSA's daily operations.

Transport Canada - CATSA and Transport Canada work closely to ensure that any similar requests for activities that both organizations perform are treated consistently. CATSA continues to look forward to future opportunities to work together with colleagues in Transport Canada's ATIP office.

ATIP Community – CATSA's ATIP office regularly engages with other Crown corporation ATIP office which has considerable value. Treasury Board Secretariat quarterly ATIP community meetings provided the ATIP Coordinator and the Senior ATIP Advisor the opportunity to enable a sharing of knowledge and experience with all members of the community.
