

Annual Report on the Administration of the *Access to Information Act*

Canadian Air Transport Security Authority

2021 - 2022

I - INTRODUCTION

The purpose of the *Access to Information Act*, (“the *Act*”), is to provide a right of access to information in records under the control of federal departments and agencies of government. The *Act* responds to the principle that government information should be available to the public with limited exceptions to the right of access and that the disclosure of government information should be evaluated independently of the executive arm of government.

This Annual Report on the Canadian Air Transport Security Authority’s (CATSA) administration of the *Act* has been prepared in accordance with Section 94(1) and is hereby submitted for tabling in Parliament under Section 94(2) of the *Act*.

This is the 19th Annual Report. Previous such reports are available under the “Reports and Summaries” heading of the “Privacy” page on the www.catsa.gc.ca website.

II - THE CANADIAN AIR TRANSPORT SECURITY AUTHORITY - MANDATE

Established as an agent Crown Corporation on April 1, 2002, CATSA’s mandate is to protect the public by securing critical elements of the air transportation system as assigned by the Government of Canada.

Fully funded by parliamentary appropriations, CATSA is accountable to Parliament through the Minister of Transport. CATSA is governed by a Board of Directors. Operations are directed by a senior management team. CATSA currently contracts security screening to third-party contractors.

CATSA delivers on its mandate of securing Canada’s air transportation system by conducting the following activities across 89 of Canada’s designated airports:

- **Pre-Board Screening (PBS)** - The screening of passengers and their belongings prior to their entry into the secure area of an air terminal building;
- **Hold Baggage Screening (HBS)** - The screening of passengers’ checked (or hold) baggage to prevent the boarding of prohibited items;
- **Non-Passenger Screening (NPS)** - The random screening of non-passengers accessing restricted areas; and
- **Restricted Area Identity Card (RAIC)** - The program that uses iris and fingerprint biometric identifiers to allow non-passenger access to the restricted areas of airports.

Under an agreement concluded with Transport Canada in 2010, CATSA has the authorization to conduct screening of cargo at smaller airports if there is capacity to do so. Each of these activities

is carried out effectively, efficiently, consistently, and in the public interest, as required by the *CATSA Act*.

IMPLEMENTATION OF THE *ACCESS TO INFORMATION ACT* AT CATSA

Responsibility for processing requests received under the *Act* rests with the Manager, Privacy and ATIP, who is also the organization's Access to Information and Privacy (ATIP) Coordinator. A Senior ATIP Advisor supports the ATIP Coordinator in processing requests under the *Act*.

The ATIP Coordinator reports directly to the Director, Corporate Services and Assistant General Counsel. The Vice-President, Corporate Services and Corporate Secretary serves as CATSA's Chief Privacy Officer (CPO). The CPO reports directly to the President and Chief Executive Officer.

CATSA's ATIP Office responsibilities regarding the *Act* are as follows:

- receive and process all requests in accordance with the *Act*;
- assist requesters in formulating their requests when required;
- gather all pertinent records and ensure that the search for information is rigorous and complete;
- conduct the initial record review and provide recommendations to the program areas;
- conduct all internal and external consultations;
- consolidate the recommendations and apply all discretionary and mandatory exemptions under the *Act*;
- assist the Office of the Information Commissioner (OIC) in all access to information related matters including complaints against CATSA;
- prepare annual reports on the administration of the *Act*;
- provide ongoing advice and guidance to senior management and staff on matters related to access to information;
- promote access to information awareness and training sessions to ensure that all staff are aware of the obligations imposed by the legislation;
- respond to consultations received from external organizations;
- develop and maintain access to information policies and guidelines; and,
- participate in ATIP community activities and ATIP community meetings.

III - DELEGATION OF SIGNING AUTHORITY

In accordance with section 95(1) of the *Act*, a delegation order, signed by CATSA’s President and Chief Executive Officer (CEO) designates the person holding the position of ATIP Coordinator to exercise and perform the access to information duties on behalf of the organization. The delegation order was issued on May 16, 2021.

The signed and dated delegation order is attached to this report as Annex A.

IV - STATISTICAL REPORT INTERPRETATION

***Access to Information Act* Requests Received and Completed**

During the fiscal year of 2021-2022, CATSA received nine *Act* requests, an increase of one from the eight requests received in the previous fiscal year, this represents a 12% increase. Three files were also carried over from 2020-2021. In total, CATSA was responsible for 12 files in 2021-2022.

For this fiscal year, of the 10 files completed, CATSA processed 8754 pages, an average of 875 pages per completed request. The amount of pages processed is a significant increase over the previous fiscal year.

Chart I: Annual Formal Requests Received

In addition to requests received this fiscal year, CATSA also received one informal¹ *Act* request that were previously released. This reflects a decrease of nine, which represents a decrease of 90% compared to the previous fiscal year. CATSA is pleased to report that this one informal

¹ Informal requests are defined as previously released *Access to Information Act* request packages.

request was completed within 10 days after it was received. CATSA regards this as a positive result of pro-active release of information on closed *Act* files.

Completion Time

Of the 10 *Act* requests completed during the 2021-2022 fiscal year, four requests (44%) were completed within 30 days or less.

- 4 completed within 30 days or less;
- 3 completed in 61 to 120 days;
- 1 completed in 121 to 180 days; and
- 2 completed in 181 to 365 days.

Source of Access to Information Act Requests

The majority of the nine new requests, five (66%) came from the private sector and four (44%) were from the public.

Chart II: Source of Access to Information Act Requests

Disposition of Completed Access to Information Act Requests

The 10 completed requests consisted of:

- 6 files (100%) that were disclosed in part; and

- 4 files, in which, no records existed.
- For the requests that contained a disclosure, physical copies were provided for three files and an additional three were released electronically.

Exemptions Invoked

Where Access exemptions were invoked, these reasons were cited:

<u>Reason</u>		<u>Number of Cases</u>
Security	S. 16(2)(c)	5
Economic interests of Canada	S.18(a)	1
Personal information	S. 19	5
Third Party Information	S. 20	2
Operations of government	S. 21	2

Extensions

For the 10 *Act* requests completed in 2021-2022, it was necessary to extend the time frame of five requests:

All five files were extended due to the potential for serious interference with the operation of the Organization and third –party Notice.

- The extensions were for a period of 61 to 120 days.

Consultations Received from Other Government Departments

During this fiscal year, CATSA received eight consultations from Transport Canada and all were completed within the agreed timelines. There were no files pending at the end of the fiscal year.

The full Statistical Report on the Administration of the *Act* is attached as Annex B.

V – TRAINING AND AWARENESS

The team responsible for Privacy and ATIP offers ATIP orientation training to all new employees. In 2021-2022, 27 employees received this orientation training.

In addition, one-on-one ATIP support is provided to employees, as needed, to clarify the Authority's expectations with regard to the implementation of the *Act*.

VI - POLICIES, GUIDELINES, PROCEDURES AND INITIATIVES

CATSA's ATIP manual provides a detailed view of CATSA's ATIP processes. The CATSA ATIP Office continues to keep the manual current with the most recent practices as offered by the Treasury Board Secretariat in their training and information sessions. The objective of this ATIP manual is to ensure continued improvement to the treatment of CATSA's access to information files and ongoing focus on the reduction of their processing time.

VII – SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS

CATSA did not received any new *Act* complaints during the reporting period.

One complaint was resolved and closed by the OIC from a previous reporting period. No further action was recommended by the OIC as a result of the investigation.

CATSA's ATIP Office places a high priority on the processing and settlement of all complaints and will continue to work closely with OIC investigators on remaining complaints from previous reporting periods.

No audits in relation to CATSA's obligations under the *Act* were carried out during the reporting period.

VIII – MONITORING COMPLIANCE

There are two employees that are directly involved in the processing of Access to Information requests. Therefore, a formal monitoring procedure to oversee the time taken to complete the requests is not required. However, the ATIP Coordinator signs all outgoing correspondence regarding the ongoing processing of the files and therefore is aware of the status of the files. Also, a weekly report is sent to senior management with a list of current files and a brief description of the status of each file.

The ATIP Coordinator meets with the Senior ATIP Advisor on a weekly basis to discuss the progress of all *Act* files.

COVID-19 Operational impact

In fiscal year 2021-2022, CATSA's ability to respond to requests within the timelines mandated by the *Act* continued to be affected by COVID-19. During this period, CATSA was partially capable of processing Protected B, Secret and Top Secret paper records for the duration of the year.

COLLABORATION

CATSA is a strong advocate of collaboration, both internally within the organization as well as within the ATIP Community.

CATSA – The ATIP Office regularly engages with various internal groups to provide advice, ideas and best practices. One example of this collaboration is how the ATIP Office engages representatives from across the organization upon receipt of particularly complex requests. This is implemented as needed in order to reduce, as much as possible, the impact on CATSA's daily operations.

Transport Canada - CATSA and Transport Canada work closely to ensure that any similar requests for activities that both organizations perform are treated consistently. CATSA continues to look forward to future opportunities to work together with colleagues in Transport Canada's ATIP Office.

ATIP Community – CATSA's ATIP Office regularly engages with other Crown corporation ATIP offices which has considerable value. Treasury Board Secretariat quarterly ATIP community meetings provided the ATIP Coordinator and the Senior ATIP Advisor the opportunity to enable a sharing of knowledge and experience with all members of the community.
